

Downtown Rhinelander Summer Flowers & Beatification

Downtown Rhinelander Inc would love to invite you to partner with us to make our downtown streetscapes look amazing this summer of 2021. With so many people staying home this last year we are expecting a large turn out from both locals and out of towners to walk the streets of Rhinelander. We want to put our best petals forward and have some amazing hanging flower baskets and planters throughout the city for our community to enjoy!

Would you consider partnering with us financially to make this happen by sponsoring a flower basket? The cost of the flowers, pots, and watering is \$100 per display. These only happen year to year because of donations from people and business like you. All sponsors who donate \$100 or more will be publicly acknowledged on our social media and in print.

Adopt a Planter

I want to adopt ___ planter(s) for the summer of 2021 at \$100 planter for a total of \$_____

I am unable to sponsor a whole planter but would like to donate \$_____
